LONDON, August 8ta. 1885. The soc a and polical seasons are now practically over. The few tileatres still open ing provincial fours. On Saturday next, the curta n was be lowered, at the great house of en ertainment a. Westminister; the farce w. . De Windcrawn, and the honorable actors will fortawith quit London, and put forth all their energies to win the good graces and the votes of the provincials. The house will reopen, in February next, under new management, and in all probablity with a new troop.

beople might imagine that on account of the Pa . Ma., Gaze, e revelations the micche class a lowes to sit down with them at the panquet of sweet sounce, but that one day of the other people in this be able to slay at home and avoid their contact. But the signof now ine scheme arose. Some very nuc-mooced persons think they have found out the reason They say that the anstocracy no longer look upon the operationse with favor because they nave to jostie, people of inferior plood on pheir way n and out. The riemedy s to set apart a night for persons of their own caste and _t costs about 45,000 for a family to spend the form a 0.000-festing committee, whose cuty season at Newport—that is it costs \$3,000 for a 😅 Will be to refuse to refuse to a peblans.

The moncon paupers will no longer be useess members of some y. At a meeting of the Strand poard of guardians, held on Tuesday last, a letter was read from Mr. Pratt of Taystock street, Covent Garden, submitting a new metacc for clapes ng of the clead becles of is doing its deadliest work, is the region which paupers. Mr. Pran forwarded a long or nucl cocumen: expaining is meraods, walca bore the title of "Cremation superseded." The suthor of the new plan suggested that Reculvers churchyard, at will commence operations this autumn at Fare- mierne way, should be reclaimed and made ham Fort, or Portsdown Hill, and will move to use of as a dur all ground for the dead docles its permanent quarters at Bagehot, where the 02 73e paupers of the whole metropolis. A rallway mg17 be constructed to convey funera's to the 100ve named churchyard. buildings will give accommodations for fifty. The DOC-68 of the paupers could be placed in boys and contain gymnasiums, kitchens and cheap coffus and buried in 530 soft sand of 710 sea shore, but embod ed in a sarcophagus of soft concrete, which would of course immedianely harden; and others could be buried on the Brst aver, so that the bodies of the paupers encased in concrete would form a wal to keep ou; the sea from encroscling on the late. Needless to accurate THE PROJOSE WAS DELECT WITH TOURS OF BUZZE for starting new deas, out Mr. Pravis dea-
